### MECHANIC'S TOTE TRAY No. 1113

Edges of tray and socket partition are hemmed and welded for strength and rigidity. Designed and built to last. Finish is "Rocket Red" baked enamel.

Length 19" Width 9 1/8" Height 3" Weight 3 3/4 lbs.  
Tapered Socket Tray Length 19" Width 1 1/8" - 1 3/4" Height 1 5/16"

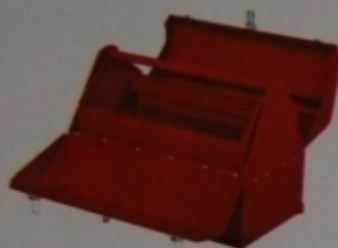

### HIP-ROOF MECHANIC'S CASE No. 1018 and 1022

Cases open wide for quick access to tools and parts. Sturdily supported cantilever trays are properly compartmented for small tools, sockets and accessories. Ample bottom compartment for large tools. Double wall reinforced case ends, full length piano hinges on both sides, rigid construction give these cases great strength. Heavy duty hasp and staple, comfortable formed steel handle, "Rocket Red" finish.

1018 Length 18" Width 10" Height 13" Weight 18 1/4 lbs.  
Cantilever Tray 16 3/4" x 4 3/8" x 1 1/2" Bottom Compartment 17 3/4" x 10" x 5 3/4"

1022 Length 22" Width 10" Height 13" Weight 21 1/4 lbs.  
Cantilever Tray 20 5/8" x 4 1/2" x 1 1/2" Bottom Compartment 21 3/4" x 10" x 5 7/8"

### HIP-ROOF CASE with TOTE TRAY No. 0918

Large tool compartments and removable tote tray adapt to many types of tools and accessories. Tote tray with tapered socket compartment has rolled steel handle. Case ends are double walled and reinforced. Rigid construction for durability. Cover has full length piano hinges on both sides, heavy duty hasp and staple, comfortable formed steel handle. Finish is "Rocket Red."

Length 18" Width 10" Height 13" Weight 16 1/2 lbs.  
Tote Tray 16 3/4" x 9 1/8" x 3" Bottom Compartment 17 3/4" x 10" x 5 3/4"

### SIDE OPENING HIP-ROOF BOX with TOTE TRAY No. 1118

Designed for the craftsman who puts functional utility above everything else. The hip roof design gives maximum storage space in a compact box that is easily carried to the job. Handy tote tray with socket partition keeps your most used tools right at your fingertips. Combination hasp, staple and drawbolt for complete protection. New modern smooth top construction.

Length 19" Width 7" Height 8" Weight 9 3/4 lbs.  
Tote Tray 18 1/2" x 6 1/2" x 2"

### DUPLEX ALL-PURPOSE TOOL CASE No. 1120 and No. 1122

Built for all-round shop and home use, this box has removable tote tray with formed steel handle, full length socket partition, cover has full length piano hinge, hasp and staple nickel plated suitcase catches. Cover edge is hemmed and welded for rigidity and proper fit over box lip which has welded wrap-around "ears" at the corners. Big, Comfortable, formed steel handle. Baked enamel finish is durable and good looking.

1120 Length 20" Width 8 1/2" Height 9 1/2" Weight 11 1/2 lbs.

1122 Length 23 1/32" Width 8 1/2" Height 9 1/2" Weight 13 1/2 lbs.

### UTILITY HIP-ROOF with TOTE TRAY No. 1121 and No. 0921

General utility box used by plumbers, electricians, mechanics, and industrial users. This box may be locked through the handles, also very easy to carry by gripping both handles. It is of Spill-proof design. Ruggedly constructed tote tray for carrying tools or other parts. "Rocket Red" finish. Electrostatically applied.

1121 Length 21" Width 8 1/2" Height 7 1/2" Weight 10 lbs.

0921 Length 18 3/16" Width 6 1/2" Height 6 1/4" Weight 6 lbs.

Tote Trays 1121 - 20 3/4" x 8 1/4" x 1 9/16" 0921 - 18 3/16" x 5 3/4" x 1 1/2"

... full length piano hinges ... built by mechanics ... precision fabricated ...

**ALL PURPOSE BOXES No. 1116 and 1119**

Removable tote tray and big bottom tool space make these boxes useful for many jobs and home work. Cover has full length piano hinge, combination hasp, staple and draw-bolt, big comfortable steel handle. Cover edge is hemmed, welded, and fits properly over rigid box lip with welded wrap-around corner ears. Baked enamel finish. Electrostatically applied.

**1116 Length 16" Width 7" Height 7¼" Weight 6 lbs.**

Tray 15½" x 6" x 1¾" (No Partition)

**1119 Length 19" Width 7" Height 7¼" Weight 6½ lbs.**

Tray 18½" x 6" x 1¾" with socket partition

**HIP ROOF BOX No. 0919**

Combines the right design, the right workmanship and the right price to satisfy the majority of tool storage requirements. Convenient socket partition in tray. Finished in durable baked enamel. "Rocket Red" finish. Attractive embossed design front with gleaming Nickel Plated Hardware. Heavy duty drawbolt w/locking eye. Packed in individual wax-lined cartons for safe, easy storage and shipment.

**Length 19" Width 6" Height 7½" Weight 6 lbs**

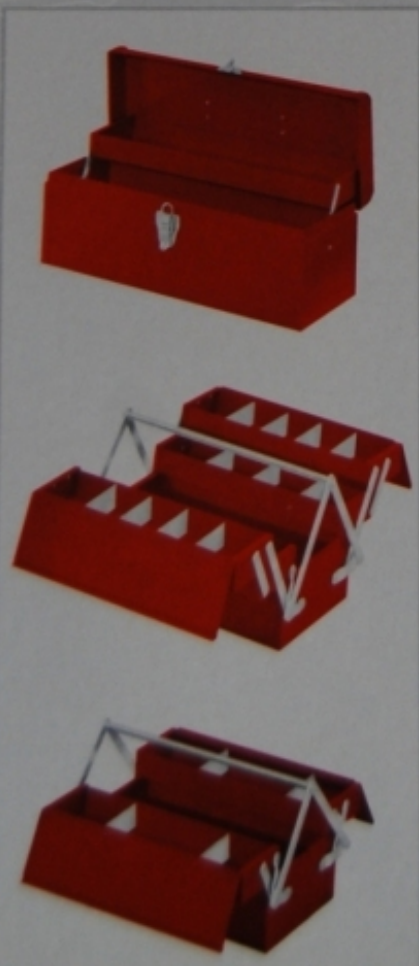

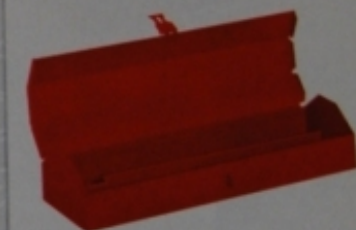

Tote Tray 18½" x 5½" x 1¾"

**UTILITY BOX No. 0818**

Handier than a tote tray yet can be locked for full protection of valuable tools. Fits under the seat or tucks away neatly in the trunk. Keeps the most used tools at your fingertips. Ideal storage for set tools — brake, transmission, tune-up. Take the right tools to the job. Women and home owners appreciate the compact size for keeping tools in the house. Boat owners stow one aboard for emergency tools and equipment.

**Length 19" Width 6" Height 4" Weight 3½ lbs.**

SPECIAL FEATURE—Full length socket partition

**GENERAL UTILITY BOX 0920**

The newest addition to the Duplex line, an all-purpose box with positive cantilever action. Utility tray electrically welded to inside of cover with full piano hinge. Tray must pop-up when cover is opened. The most rugged cantilever action box built today. Rigid, durable, built to last. Heavy nickel plated handle and locking hasp. "Rocket Red" baked enamel finish. Smooth top construction.

**Length 19" Width 7" Height 7¼" Weight 7½ lbs.**

Tote Tray 18¼" x 4½" x 1½"

**FOUR-TRAY CASES\* No. 0214**

\*Unique patented design. Push handle to open. Pick up the box and its closed.

Designed for mechanics, plumbers, electricians, and others who want trays and compartments to hold numerous tools and parts of various sizes. Baked enamel finish.

\*\*"FLEXI-SPACERS"—snap into place anywhere in cantilevered trays. Heavy-plated partitions with retention spring clips provide many small-parts bins or single open tray. Change them around as needed.

**Length 14" Width 8" Height 8" Weight 9½ lbs.**

Cantilever Trays 14" x 3¾" x 1¾", Bottom Compartment Height 4½"

**TWO-TRAY CASES\* No. 0514**

Same as 0214 except with two trays.

Designed for service station men and others with limited number of tools to carry from job to job. Baked enamel finish.

**Length 14" Width 8" Height 6" Weight 8 lbs.**

Cantilever Trays 14" x 3¾" x 1¾", Bottom Compartment Height 4½"

**job fitted design...electronically welded...top grade chrome hardware**

### CARPENTER'S TOOL BOX No. 1132

Designed right for wood worker's tools, with inside clips to hold the big level, replaceable wood block to protect 3 saws, replaceable masonite bottom to protect chisels and other tools with sharp blades. Slot in corner holds carpenter's square that will last. Full length piano hinge and spot welded construction make this a box that will last. Big formed steel handles, one on top and one on end for shoulder carrying. Heavy duty padlock hasp and staple. "Rocket Red" finish.

Length 32¼" Width 8" Height 9¾" Weight 12 lbs.

### ALL PURPOSE TOOL BOX No. 1123

Features cantilever tray with four compartments which raises with cover. Large tool space under tray makes this useful for many jobs. Cover has full length piano type hinge, combination hasp, staple and drawbolt, big comfortable steel handle. Cover edge is hemmed, welded, and fits properly over rigid box lip with welded wrap-around corner ears. "Rocket Red" electrostatically applied baked enamel finish.

Length 19" Width 7" Height 7" Weight 7¾ lbs.

Tray 18¼" x 5½" x 1½"

## — DUPLEX MACHINIST CASES —

### 7 DRAWER TOOLMAKER'S KIT No. 1250

A favorite with machinists and tool and die makers because it has seven drawers of various sizes properly designed and lined with durable green felt to protect precision tools, plus the big tool till on top. Easy-pull suspension slides have stops to prevent drawers spilling. New quick release drawer slides. Drawers can be removed for cleaning. Front panel is stored beneath drawers. Full length piano hinged cover. Wrinkled tobacco brown baked enamel finish. Heavy duty nickel plated key change lock and catches.

Length 20½" Width 8½"  
Height 13½" Weight 31½ lbs.
